

## **Certificate of Analysis**

Product Name Hibiscus Extract
Latin Name Hibiscus mutabilis Linn.

Plant Part Used Flower (Dried, 100% Natural)

Batch Number 4309611

Active Ingredient Markers Country of Origin

P. R. China

| Analysis Items           | Specifications                                       | Results                  | Test Methods                  |
|--------------------------|--|--------------------------|-------------------------------|
| Organoleptic             |  |                          |                               |

| Total Plate Count        | NMT 10,000cfu/g                                      | Conforms                 | GB.4789.2                     |
| Total Yeast & Mold       | NMT 1000cfu/g  | Conforms                 | GB.4789.15                    |
| E. Coli                  | Negative   | Conforms                 | GB.4789.38                    |
| Salmonella               | Negative   | Conforms                 | GB.4789.4                     |
| Staphylococcus           | Negative   | Conforms                 | GB.4789.10                    |
| Packing and Storage      | Packed in sealed aluminum foil bags lin              | ned with plastic seal of | or sealed double plastic bags |
|                          | Store in a well-closed container away from moisture. |                          |                               |
| Best before End          | December 2020  |                          |                               |
|                          |  |                          |                               |

# Allergen Statement

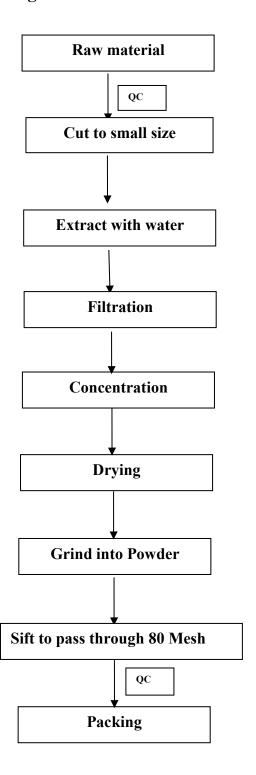

**Product: Hibiscus Extract 4:1** 

#### Reference:

| Category of food allergen           | Presence (Yes / No) | Comment |
|-------------------------------------|---------------------|---------|
| Celery (deleriac) and derivatives   | No                  |         |
| Egg's and derivatives               | No                  |         |
| Milk and derivates                  | No                  |         |
| Peanut and derivates                | No                  |         |
| Soybean / Soya bean and derivatives | No                  |         |
| Sulfites (concentration > 10 mg/kg) | No                  |         |
| Wheat (gluten)                      | No                  |         |
| Dairy(lactose) and derivatives      | No                  |         |
| Seafood and derivatives             | No                  |         |
| Sesame and derivatives              | No                  |         |
| Treenuts and derivatives            | No                  |         |
| Crustaceans and derivatives         | No                  |         |
| fish and derivatives                | No                  |         |
| Molluscs and derivatives            | No                  |         |
| Lupin and derivatives               | No                  |         |
| Mango and derivatives               | No                  |         |
| Mustard and derivatives             | No                  |         |
| Kiwi and derivatives                | No                  |         |

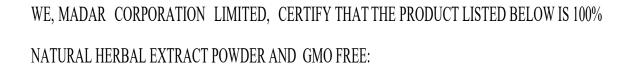

## **Manufacturing Process Sketch of Hibiscus Extract 4:1**

## **NON-GMO CERTIFICATE**

HIBISCUS EXTRACT 4:1

01/02/19

## **Material Safety Data Sheet**

**Company: Madar Corporation** 

#### **Product Name: Hibiscus Extract 4:1**

- 1.1 **Chemical Properties**: with typical properties of hibiscus flower
- 1.2 **Form**: Fine powder
- 1.3 **Color**: Fine brown to light brown yellow powder
- 1.4 **Odor** : Characteristic

### 2. Physical Properties

PH Value N/A
Melting point N/A
Boiling Point N/A
Igniting point N/A
Flash Point N/A
Explosion Point N/A

Bulk Density 0.4-0.8g/ml Solubility Soluble in water

#### 3. Transport information

Far from away humidity, sunshine, high-temp., and acidic, alkaline substance.

## 4. Stability and Reactivity

### 4.1. Condition to be avoided

Humidity, sunshine, high-temp.

#### 4.2. Substances to be avoided

Acidic, alkaline substance

#### 4.3. Hazardous decomposition

Acid, base.

### 5. Protection, handling and storage

### 5.1. Safety technical measure:

Far away from fire, humidity and other hazardous chemicals

### 5.2. Personal Equipment

**Respiratory Protection:** to use respirator when mesh the powder.

**Eye Protection:** to use special glasses when mesh the powder.

Hand protection: no need special protection measure, when contact

hands, use water to wash.

Other Information: no more available

#### 5.3. Industrial Hygiene

To avoid the powder contact eye and respiratory system.

#### 5.4. Explosion and fire fighting measures

Use quantity water

#### 5.5. Disposal condition

Disposal properly

## 6. Accidental release measures/Fire fighting measures

#### **6.1.** Accidental release measures

Washing up the attached area with water

#### 6.2. Suitable extinguishing media

#### **6.3.** First aid measures

In case of eye and skin contacted: rinse out with water

#### **6.4.** Other information

No more information available.

#### 7. Toxicological information

**Hibiscus Extract 4:1** has high safety coefficient. It belongs to actual nontoxicity determined

By acute toxicity experiment.

#### 8. Ecological Information

No ecological problems are to be expected when the product is handled and used with care and attention.

#### 9. Other Information

No more information available.

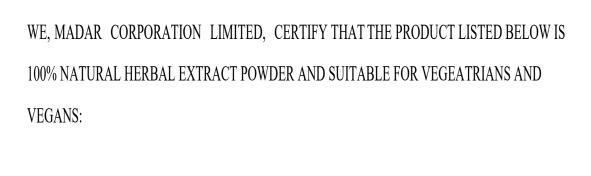

## **Specification Sheet**

| <b>Product Name</b> | Hibiscus Flower Extract  | Plant Part Used           | Flower ((Dried, 100% Natural) |
|---------------------|--------------------------|---------------------------|-------------------------------|
| Specification       | 4:1                      | Active Ingredient Markers | /                             |
